

LETTER TO SCHEIWILLER DATED JULY 14TH, 1928¹

Paris, July 14th, 1928

Dear Sir,

In answer to your favour of the 10th MC I am honoured to inform you that I was born on July 10th 1888 in Volos (Greece) of Italian father and mother. I lived there until the age of 16 and then I came to Italy; my father gave me my first lessons in Italian literature by having me read Dante, Tasso, Ariosto and Ugo Foscolo. I then continued on my own and also studied Latin, ancient Greek, French and German.

I hope these few notes are enough and in any case I am always at your disposition.

Please enjoy, dear sir, my distinct greetings,

Giorgio de Chirico
